

---

### Solución Medica Global:

**Carl Jung**, international psychiatrist.  
Swiss psychologist and essayist.

First president of the International Psychoanalytic Association.

He defined the term **Synchronicity**: "The origin of the mind, the naturalness of being."  
Considering synchronicity, as the "vitality" of the psyche and thus of the human being.

All the services and intellectual properties of REACTION Visuals S.A. develop  
synchronicity as its essence.

---

### Being an **ARTIST**, at REACTION Visuals S.A. teaches you to:

- Be free.
- Say what you feel and think.
- To be. Do.
- Set you free.
- Have fun.
- Control you.
- Meet.
- Value of time.
- Share.
- Concentrate on the here and him now ".
- Individualization, and social forms.
- Transcend fears.
- Passing visuals live, is like "dreaming live". (Daydreaming)
- Raise the vibration of the being.
- Synchronicity (By Carl Jung: the origin of the mind.)
- Transmute.
- Eradicate fear.
- Synchronicity.

For this reason, we present REACTION Visuals S.A, as a company that develops services and intellectual properties, together with the international medical certifications of **Doctor Carl Jung**, for endorsement in the development of our company and its role on planet earth.
